Court Approved Tabulation Procedures

4. On January 9, 2004, the Court approved an Order (I) Approving the Disclosure Statement for Fifth Amended Joint Plan of Affiliated Debtors; (II) Setting a Record Date for Voting Purposes; (III) Approving Solicitation Packages and Procedures for Distribution Thereof; (IV) Approving Forms of Ballots and Establishing Procedures for Tabulation of the Vote of the Fifth Amended Joint Plan of Affiliated Debtors; (V) Scheduling a Hearing and Establishing Notice and Objection Procedures in Respect of Confirmation of the Fifth Amended Joint Plan of Affiliated Debtors (the "Solicitation Procedures Order", docket number 15303). The Solicitation Procedures Order sets forth the following tabulation procedures:

- (a) A vote may be disregarded if the Bankruptcy Court determines, after notice and a hearing, that a vote was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code;
- (b) Any ballot that is returned to Innisfree, but which is unsigned, or has a non-original signature, shall not be counted;
- (c) All votes to accept or reject the Plan must be cast by using the appropriate ballot and in accordance with the voting instructions and votes that are cast in any other manner shall not be counted;
- (d) A holder of claims in more than one class must use separate ballots for each class of claims;
- (e) A holder of claims shall be deemed to have voted the full amount of its claim in each class and shall not be entitled to split its vote within a particular class;
- (f) Any ballot, except a master ballot, that partially accepts and partially rejects the Plan shall not be counted;
- (g) If a holder of claims and/or its attorney casts more than one ballot voting the same claim prior to March 24, 2004, only the last timely ballot received by Innisfree shall be counted;
- (h) If a holder of claims and/or its attorney casts ballots received by Innisfree on the same day, but which are voted inconsistently, such ballots shall not be counted;

- (i) Any executed ballot received by Innisfree that does not indicate either an acceptance or rejection of the Plan shall not be counted;
- (j) Any executed ballot received by Innisfree that indicates both acceptance and rejection of the Plan shall not be counted;
- (k) Any entity entitled to vote to accept or reject the Plan may change its vote before March 24, 2004 by casting a superseding ballot so that it is received on or before such date; and
- (l) Innisfree shall not accept a vote by facsimile, telecopy transmission or electronic mail.

5. Innisfree implemented and followed the tabulation procedures set forth in the Solicitation Procedures Order.

Court Approved Voting Procedures

6. On January 9, 2004, the Court approved an Order Establishing Voting Procedures in Connection with the Plan Process and Temporary Allowance of Claims Procedures Related Thereto (the "Voting Procedures Order", docket number 15296). The Voting Procedures Order sets forth the following voting procedures:

- (a) If a claim is deemed allowed pursuant to the Plan, then such claim shall be allowed for voting purposes in the amount and classification deemed allowed in the Plan;
- (b) Except as otherwise provided in (f), (g), (h) and (m) below and unless temporarily allowed for voting purposes in accordance with the Voting Procedures Order, if a filed proof of claim asserts a claim in a wholly unknown or unliquidated amount or is docketed in the database of the Bankruptcy Court approved official claims docketing agent in these chapter 11 cases, "BSI", as of January 6, 2004 in the amount of \$0, then such claim shall be allowed for voting purposes only in the amount of \$1.00;
- (c) Except as otherwise provided in (f), (g), (h) and (m) below and unless temporarily allowed for voting purposes in accordance with the procedures set forth in the Voting Procedures Order, if a filed proof of claim asserts a claim in a partially unknown or unliquidated amount, then such claim shall be allowed for voting purposes only in the amount of the known or liquidated portion of the claim as docketed in BSI's database as of January 6, 2004;

- (d) If a claim has been estimated and allowed by an order of the Bankruptcy Court in accordance with the Estimation Motion or otherwise, then such claim shall be allowed for voting purposes in the amount approved by the Bankruptcy Court, provided that the order is entered on or before March 10, 2004;
- (e) If a claim is listed in the Debtors' schedules as contingent, unliquidated, or disputed and a proof of claim was not (i) filed by the applicable bar date for the filing of proofs of claim established by the Bankruptcy Court, or (ii) deemed timely filed by an order of the Bankruptcy Court prior to January 6, 2004, unless the Debtors have consented in writing, then such claim shall be disallowed for voting purposes;
- (f) If (i) the Debtors or any other party have objected to the entirety of a claim by serving and filing an objection, motion or adversary proceeding on or before January 9, 2004 (including, but not limited to, objections seeking to disallow claims under section 502 of the Bankruptcy Code) and (ii) the claim has not been temporarily allowed for voting purposes in accordance with the Voting Procedures Order, then such claim shall be disallowed for voting purposes;
- (g) If (i) the Debtors or any other party have objected to a portion of a claim by serving and filing an objection, motion or adversary proceeding on or before January 9, 2004 (including, but not limited to, objections seeking to disallow claims under section 502 of the Bankruptcy Code) and (ii) such portion of the claim has not been temporarily allowed for voting purposes in accordance with the Voting Procedures Order, then such claim shall be allowed for voting purposes only in the amount that is not the subject of the pending objection;
- (h) If (i) the Debtors or any other party have objected to a claim by serving and filing an objection, motion or adversary proceeding to the classification of all or part of a claim on or before January 9, 2004 (including, but not limited to, any requests to subordinate such claim) and (ii) such claim has not been temporarily allowed for voting purposes in accordance with the Voting Procedures Order, then the claim shall be allowed for voting purposes only in the classification that is not the subject of the pending objection (if any);
- (i) Unless otherwise temporarily allowed for voting purposes in accordance with the procedures set forth in the Voting Procedures

Order, if one proof of claim asserts the same claim against multiple Debtors, then such claim shall be allowed for voting purposes only against the Debtor as docketed in BSI's claims database as of January 6, 2004;

- (j) Unless otherwise provided in the Voting Procedures Order or other orders of the Bankruptcy Court, the allowed amount of any proof of claim for voting purposes shall be the amount as docketed in BSI's claims database as of January 6, 2004;
- (k) Unless otherwise provided in the Voting Procedures Order including, but not limited to, section 3(h), or other orders of the Bankruptcy Court, for purposes of determining eligibility to vote, the classification of a claim shall be determined based on the classification as docketed in BSI's claims database as of January 6, 2004; provided, however, that any claims for which BSI was unable to identify the classification shall be classified as general unsecured claims;
- (l) If a creditor opts into or out of a particular convenience class (as may be applicable under the Plan), then any such election shall be binding upon such creditor regardless of whether the claim is ultimately allowed (if allowed at all) against a different Debtor or in a different amount;
- (m) If a claim is allowed pursuant to a Bankruptcy Court approved settlement on or before April 14, 2004, then such claim shall be entitled to vote on the Plan in accordance with the terms of such settlement;
- (n) Unless temporarily allowed for voting purposes in accordance with the procedures set forth in the Voting Procedures Order, if a proof of claim asserts a claim that is not in U.S. dollars, such claim shall be treated as unliquidated and allowed for voting purposes only in the amount of \$1.00;
- (o) Unless temporarily allowed for voting purposes in accordance with the procedures set forth in the Voting Procedures Order, if (i) a proof of claim was filed after the applicable claims bare date, (ii) the creditor did not obtain leave to file a late claim, and (iii) the proof of claim is not docketed in BSI's database as of January 6, 2004 as an amendment of a timely filed claim, then such claim shall be disallowed for voting purposes only;
- (p) If the Debtors scheduled a claim and the creditor filed a proof of claim superseding such scheduled claim, then the scheduled claim

is deemed superseded in accordance with Bankruptcy Rule 3003(c)(4) and such scheduled claim shall be disallowed for voting purposes; and

- (q) If a creditor withdraws its claim on or before March 24, 2004, then the creditor shall not be entitled to vote such withdrawn claim.

7. Innisfree implemented and followed the procedures set forth in the Voting Procedures Order.

Adjustments to Deadlines

8. Some of the deadlines in the Voting Procedures Order and Solicitation Procedures Order were modified by subsequent orders by the Court. On April 5, 2004, the Court entered an Order Adjourning Confirmation Hearing and Adjusting Deadlines in Connection Therewith (the "Adjournment Order", docket number 17528). Pursuant to the Adjournment Order, the following deadlines were extended:

- (a) The deadline to cast ballots to vote on the Plan was extended from March 24, 2004 to May 24, 2004, solely in conjunction with a settlement of an allowed claim, temporary allowance motion, or resolution of an objection to confirmation of the Plan; provided, however, without prejudice to further extensions by agreement of the Debtors and the party entitled to vote on the Plan;
- (b) The deadline for claims to be withdrawn and excluded from tabulation of the vote was extended from March 24, 2004 to May 24, 2004;
- (c) The deadline to hold hearings on temporary allowance motions was extended from April 8, 2004 to May 7, 2004; and
- (d) The deadline for entry of orders on temporary allowance motions, ballot correction motions, settlement agreements and stipulations to be counted for voting purposes was extended from April 14, 2004 to May 14, 2004.

9. On May 7, 2004, the Court further revised some of the deadlines in the Voting Procedures Order pursuant to a Amended Supplemental Order Adjusting Deadlines in Connection With the Debtors' Chapter 11 Plan (the "Amended Adjournment Order", docket number 18290). Pursuant to the Amended Adjournment Order, the following deadlines were extended:

- (a) The deadline to hold hearings on temporary allowance motions was extended from May 7, 2004 to May 21, 2004; and
- (b) The deadline for entry of orders on temporary allowance motions, ballot correction motions, settlement agreements and stipulations to be counted for voting purposes was extended from May 14, 2004 to May 24, 2004.

10. On May 20, 2004, the Court further revised some of the deadlines in the Voting Procedures Order pursuant to a Second Amended Supplemental Order Adjusting Deadlines in Connection with the Debtors' Chapter 11 Plan (the "Second Amended Adjournment Order", docket number 18491). Pursuant to the Second Amended Adjournment Order, the following deadlines were extended:

- (a) The deadline to hold hearings on temporary allowance motions was extended from May 21, 2004 to May 27, 2004; and
- (b) The deadline for entry of orders on temporary allowance motions and ballot correction motions was extended from May 24, 2004 to May 27, 2004.¹

Additional Orders

11. In addition, the Court entered additional orders modifying the dates in the Solicitation Procedures Order and Voting Procedures Order for individual creditor, including orders related to settlement agreements and temporary allowance motions. The Debtors or their

¹ The Debtors have submitted an order to the Court to extend the deadlines in the Second Amended Adjournment Order to May 28, 2004.

professionals have provided periodic updates to Innisfree regarding those orders, which were relied upon by Innisfree.

Certification of the Vote

12. As mentioned, the Innisfree was designated by the Debtors to, among other things, review and tabulate ballots submitted to vote for the acceptance or rejection of the Plan by voting creditors. I supervised the tabulation procedures performed by Innisfree's personnel in accordance with the Solicitation Procedures Order, Voting Procedures Order and other applicable orders approved by the Court.

13. All validly executed ballots received by the Innisfree on or before the Voting Deadline were tabulated as outlined in the Solicitation Procedures Order, Voting Procedures Order or other orders by the Court.

14. I hereby certify that the results of the tabulation of voting ballots, excluding the votes of insiders of the Debtors, are as set forth in Exhibit "A" hereto, which is a true and correct copy of the final tabulation of unaggregated votes cast by timely and properly completed ballots received by Innisfree.²

15. I hereby certify that the results of the insider ballots, which were not counted in the tabulation, are as set forth in Exhibit "B" hereto, which is a true and correct schedule of the insider ballots received by Innisfree by the Voting Deadline, but were not counted in the final tabulation.

² For tabulation purposes, I have assumed that certain pending settlements will be approved by the Court. These settlements include: JPMorgan Bank, as agent for the Choctaw/Zephyrus lenders (docket no. 18341) and a temporary allowance stipulation with Canadian Imperial Bank Commerce, as agent for the Hawaii lenders that will be filed with the Court on May 27, 2004. Additionally, I have assumed that the pending settlement with The Baupost Group/Racepoint Partners, docket no. 18586, will be approved by the Court. However, due to the amount of time that will be needed to verify and update securities-related ballots, I have only updated voting results related to The Baupost Group/Racepoint Partners for non-securities ballots. The Debtors reserve the right to update the voting certification to reflect the change in the vote of these securities-related ballots from rejecting to accepting, which will be counted in several Plan classes including Enron Corp., Enron North America Corp., and others.

16. For administrative purposes and to reduce mailing costs, creditors with multiple claims in the same Plan Class were sent one ballot aggregating the amount of these claims for voting purposes. For numerosity purposes, however, the vote certification is based on the “unaggregated” voting information. For example, if one creditor had two claims in the same Plan Class, the creditor received one ballot, but their vote is tabulated based on two claims and thus constitutes two separate votes for or against the Plan. For information purposes only, I hereby certify that the results of the tabulation of voting ballots, excluding the votes of insiders of the Debtors, aggregating the votes of creditors holding multiple claims in the same Plan class, and including pending settlement discussed in paragraph 2 are as set forth in Exhibit “C” hereto, which is a true and correct copy of the final tabulation of aggregated votes cast by timely and properly completed ballots received by the Solicitation Agent.

17. For informational purposes only, Exhibit “D” indicates the impact on voting classes in the event that the pending settlement agreements are not approved by the Court.

18. Innisfree received several ballots that were not included in the tabulation. Exhibit “E” to this certificate describes the ballots that were received by Innisfree, but not included in the tabulation. As evidenced by Exhibit “E”, the vast majority of these ballots voted to accept the Plan. Exhibit “E” also describe the reason(s) the votes reflected on such ballots were not included by Innisfree in the tabulation.

19. Innisfree filed the certificates of service listed on Exhibit “F”, which reflect the solicitation materials mailed by Innisfree by U.S. mail or courier in connection with the solicitation process.

I declare under penalty of perjury that the foregoing is true and correct to the best
of my knowledge, information and belief.
